Why did you choose to attend Millersville?
I chose to attend Millersville University because Millersville University provides a quality education at an affordable price.

What do you like best about Millersville?
The professors I have had the pleasure of learning from. You can tell that teaching is more than just a paycheck for them. They actually care about the students and go above and beyond the call of duty to help their students succeed.

What are your plans after college? I plan to take the C.P.A. exam. I hope to find employment with a large public accounting firm.

Fun Facts: I have a cat who thinks he is a dog. I am quite certain that he would bark if he was physically capable of doing so.
