On-Campus Housing Residency Requirement

All Millersville University full-time undergraduate students may reside in on-campus housing through to the completion of their degree. However, students who have not yet completed 60-credit hours are required to live on campus for the full term of their housing agreement. On-campus housing is defined as residing in one of the following residence halls: East Village, Reighard Hall, Shenks Hall, South Village, and the West Village.

Students are obligated to the full term of their housing agreement regardless of the credit hours completed.
