For formal admission to the teacher education program at the end of the third year, students need to have:

- a GPA of at least 3.0. Students with a 2.8-2.99 GPA need to pass a Basic Skills Assessment to proceed
- updated clearances on file
- a complete student teaching application (submit one year prior to student teaching)
- six credits of mathematics courses
- three credits from an English Literature course
- a certificate of completion from the ACT 126 Educator Ethics Training

| Fifth Year                                   |         |  |         |

\*This draft is based on anticipated general education (GE) course proposals and approvals in Math and Psychology.

\*\*to bring total number of Art credits in BFA to 75 and total number of credits for two degrees to 150

**NOTE:** The art education and studio art dual degree program requires total 150 credits. This five-year pathway only amounts to 147 total credits. To graduate in five years, students must earn an additional 3 elective credits by:

- 1) taking winter or summer classes
- 2) enrolling in more than 15 credits per semester

Students should work closely with their academic advisor to ensure all degree requirements *and* teacher licensure requirements are met as they proceed through the program.
