## **Selection Process**

- After the Expansion inquiry has been completed and submitted to [FSL@millersville.edu](mailto:FSL@millersville.edu), the Expansion packet will be sent to be completed as well. All documents should be sent to the FSL email.
- The Expansion committee, made up of Campus Life staff, council presidents and representatives (AGC, PHC, IFC, CGC), will meet to review the applications for expansion. Prior to reviewing the applications, the committee will review the FSL community to see if the community is viable and ready for expansion.
  - Ex – reviewing community health, recruitment #s, chapter roster #s, overall FSL interest.
- If the community is viable and determined that another chapter would be beneficial, the committee will review the applications. The committee will make a recommendation at that time who to bring to campus for interviews if determined they are needed. The campus life staff will meet and make the final determination for interviews. Interviews and campus visits will be set up by the Assistant Director for Fraternity & Sorority Life. Interviews and campus visits will be open to the community and those in attendance will be asked to fill out an assessment. The committee will meet to review the assessments and make a recommendation for who to bring to campus. Depending on the council affiliation, the Campus Life staff and the council president will make final decision on who to extend an invitation to expand on campus.
