LOAN BORROWER ACKNOWLEDGEMENTS

This form is for the purpose of requesting the Office of Financial Aid (OFA) to make changes to loans on your account, including accepting, increasing, reducing, or declining funds. **Check the box next to each statement below to indicate your understanding:**

- Loan Change Requests can only be made by the borrower.**
 - Federal Direct Student Loans: Only the student can request changes to Subsidized, Unsubsidized, and Graduate PLUS Loans.
 - Federal Parent PLUS Loan: Only the parent on the application can request changes.
 - Private Loans: Changes can be requested by the student and/or co-signer.
- Loan Change Requests are recommended to be completed for the entire academic year that I am enrolled.**
 - To receive federal and some private loans, I must be enrolled at least ½ time during every term of my loan period.
 - Requesting a loan for one semester instead of the entire academic year may reduce my eligibility for subsidized loans.
 - Requesting to cover charges is based on data as of the date OFA reviews this form and only updated with another request.
- Loan Change Requests will be completed to the student's or borrower's benefit.**
 - Loans with interest subsidies and lower interest rates will be processed first.
 - Loan periods may be adjusted to prevent loss of interest subsidies.
- The gross amount of the loan borrowed may differ from the net amount that pays to Millersville.**
 - Federal loans have origination fees deducted from the gross amount borrowed, before funds are paid to Millersville.

INSTRUCTIONS & DISCLAIMERS

Loan Change Requests may be processed differently depending on the loan type and type of request. Read the information below to understand how to best complete this form. **Check the box next to each statement below to indicate your understanding:**

- Accepting Loans:**
 - Federal Loans will typically be accepted for the entire academic year enrolled unless otherwise specified.
 - PLUS Loans and Private Loans are certified and accepted upon eligibility; and initiated by the borrower's application.
- Declining Loans:**
 - All loan types will be declined for the year unless otherwise specified.
 - Subsidized and Unsubsidized Loans can typically be re-requested any time during the academic year if actively enrolled.
 - PLUS and private loans may require a new application due to credit expiration dates.
- Increasing Loans:**
 - Subsidized and Unsubsidized loan amounts are based on grade level (credits earned). Increases are possible only if the full offered amount wasn't accepted or if additional credits are earned and a grade level increase is requested.
 - PLUS Loan increases will be processed for the entire academic year to avoid credit check expiration. Increases will be based on amount specified or, if requesting to cover charges, based on current charges and anticipated charges for following term.
 - Private Loans *cannot* be increased by the school. Contact your Lender directly.
- Reducing Loans:**
 - Subsidized and Unsubsidized Loans will be reduced for the year but can typically be re-requested if actively enrolled.
 - PLUS and private loans will be reduced for the current term only to avoid credit check expiration. Subsequent requests need to be submitted for following terms when the bill is finalized. No interest accrues on undisbursed portion of loans.

BORROWER AGREEMENTS & SIGNATURES

By signing below, I understand and agree to the acknowledgements and disclaimers on Page 1 of this form. I understand that outside resources, like tuition waivers or scholarships, can affect my student loan eligibility. If I receive an outside resource after a loan increase, it may cause an over-award, reducing my loan and potentially resulting in a balance owed to the University if I've received a refund.
