

## Goal 4: Upgrade Campus Facilities

(Targets – Minimum 5 Assessments/Year, 2 spaces that promote student interaction)

- **Assessments**

- SMC Space Study
- Millersville University Space Optimization Study

- **Student Spaces**

- **Library** Librarians implemented the ACRL Project Outcome's surveys and used the Space Survey to collect data from students who used private/semi-private study spaces in Spring 2024. The data informed plans to reconfigure the fourth floor.
- **Biemesderfer Stadium** Construction plans are being finalized. Athletics is working with facilities and the architects to finalize the interior designs and pricing for the locker rooms, equipment and athletic training spaces. Construction is estimated to begin December 1, 2024.
- **Lombardo College of Business** – Bid out, Projected Start January 2025.

## Goal 4: Upgrade Campus Facilities

(Target – Decrease deferred maintenance by net of 10% over five years)
