SCHOOL DISTRICTS

*Please Note: You must speak to the instructor of Directed Projects about your interest in a school-based placement. Typically, our students are able to shadow and work with school counselors or school psychologists. You **MUST NOT** contact any school or districts yourself. We now work with Field Services in Stayer Hall, who secure the placements for us. You must get started early. Your Directed Projects instructor will tell you how to proceed.*

*Also, note that you will need clearances before you can be considered for a school placement. See MU Early Field Experiences website for info on obtaining required clearances. <https://www.millersville.edu/fieldservices/clearances.php>
Scroll down the above webpage to see info on obtaining clearances: Act 34, 114, 151, and TB test*
