

WHEN YOU DONATE TO YOUR LOCAL
COMMUNITY AID

YOU SUPPORT YOUR COMMUNITY WITH EPPIIC COMPASSION

We are thrilled to announce that Millersville University has teamed up with Community Aid to make a positive impact through our EPPIIC Compassion Fund! Here's how staff and faculty can join in this meaningful initiative:

When you donate clothing and other items to Community Aid, simply mention our **Partner Number, 50191**, and a portion of the proceeds will directly support our EPPIIC Compassion Fund. Every pound donated equals \$.13 towards this important cause!

As spring approaches, consider joining us in giving back by decluttering and donating to Community Aid. Your contributions will not only support a worthy cause but also make a difference in the lives of our community members.

LET'S MAKE A DIFFERENCE
TOGETHER - SPREAD THE WORD!
