

NURSING CERTIFICATE PROGRAMS

WEHRHEIM
SCHOOL OF NURSING
Millersville University

The Wehrheim School of Nursing is proud to offer fully accredited nursing programs and certificates. The undergraduate certificate is open to all majors. Once you graduate from your undergraduate or graduate nursing program, you also become eligible for advanced credentialing through certification.

UNDERGRADUATE CERTIFICATE TELEHEALTH CERTIFICATE

This online, 10-credit undergraduate certificate is open to all majors and guest students! There is a growing demand for telehealth as a modality to improve patient outcomes in professions such as social work, nursing, counseling, pharmacy, physical therapy, occupational therapy, respiratory therapy and more! Remote healthcare has exploded since the start of the pandemic in 2020. The expansion of telehealth and other remote healthcare options is expected to only increase in future years and become a “normal” part of healthcare delivery, enabling specialists and providers to reach patients in remote areas and eliminating barriers to receive safe, efficient healthcare.

CAREERS

- Dietician
- Healthcare Administrator
- Healthcare Executive
- Licensed Practical Nurse
- Information Technologist
- Nursing Assistant
- Nurse Practitioner
- Physician Assistant
- And many more!

CURRICULUM

- NURS 370 Telehealth Foundations
- NURS 460 Telehealth Policy, Advocacy and Clinical Applications
- NURS 461 Advanced Telehealth

POSTBACCALAUREATE CERTIFICATES

SCHOOL NURSE CERTIFICATE

This online, 12-credit certificate program prepares students for PA Department of Education School Nurse (PK-12) certification. You can complete the 100-hour clinical requirement at your place of employment if the hours are noncompensated for your student capacity. This certification is approved by the PA Department of Education. All course content and time offerings are designed to meet the needs of the student, as well as state standards for certification.

The school nurse certification program is a postbaccalaureate certificate program. A Bachelor of Science in Nursing (BSN) or a Bachelor of Science or Bachelor of Arts degree and current Registered Nurse licensure in this state are required for certification of School Nurse Certificate candidates.

CAREERS

- School Nurse (PA Level 1 Educational Specialist)
- School Nurse Health Coordinator

CURRICULUM

- NURS 612 Health Promotion and Disease Prevention
- NURS 613 Considerations for Needs of Diverse Learners and English Language Learners
- NURS 610 Grades PK-4 Practicum
- NURS 611 Grades 5-12 Practicum

POSTMASTER'S CERTIFICATES

FAMILY/INDIVIDUAL ACROSS THE LIFESPAN NURSE PRACTITIONER

This postmaster's certification option is designed to provide individuals who already hold a Master of Science in Nursing degree with the core courses and clinical experience necessary for eligibility for family nurse practitioner certification. Selected courses from a previous MSN program may meet requirements for the postmaster's Family Nurse Practitioner program.

This face-to-face program may incorporate some online components and is approximately 28 credits (upon transcript review). The application dates follow that of the Family/Individual Across the Lifespan Nurse Practitioner MSN based at the campus location.

CAREERS

- Family Nurse Practitioner

CURRICULUM

- NURS 511 Pathophysiology for Advanced Practice
- NURS 512 Health Assessment and Diagnostic Evaluation for Advanced Practice
- NURS 513 Pharmacology and Alternative Therapeutics in Nursing Practice
- NURS 521 Clinical Management of the Young Family
- NURS 522 Clinical Management of the Mature, Aging Family
- NURS 523 Family Nurse Practitioner Internship

CERTIFICATE IN NURSING EDUCATION

Play a vital role in preparing the next generation of nurses with the curriculum and evaluation strategies gained through the online Graduate Certificate in Nursing Education. Featuring 100% online coursework taken directly from our CNEA-accredited MSN – Nursing Education program, this 15-credit postmaster's certificate furthers your knowledge of education theories and methods.

Learn to design and develop effective educational programs for both traditional and tech-based learning environments. Upon completion of this career-advancing certificate program, you will be prepared to sit for multiple NLN exams, including the Certified Nurse Educator and the Academic Clinical Nurse Educator Certification exams.
