

Post-Master's Supervisory Certification in Special Education

MU's Special Education Post-Master's in School Supervision is designed for instructional level II teachers or specialists with 5 years of appropriate experience to develop supervisory skills in special education.

PROGRAM OVERVIEW

This graduate certificate program consists of four courses (12 s.h.) plus a 3-s.h. practicum experience in special education supervision. The supervisor certificate provides experienced educators an opportunity to advance their careers in knowledge and skills needed to be teacher-leaders. This program that recognizes experience has been designed to improve the practice of educators through a robust program of study designed to emphasize evidence-based practice, advocacy, collaboration and reflection.
