

## Becoming a B.S. in Sport Administration major

To add this major, you will need to visit this website:

<https://www.millersville.edu/roacademicprogramrequest>

When asked to select a program, you have two options:

- 1) If you are enrolled in a minor or have a second major (or are going to add one of these), you should select SADM (BS) Sport Administration (choice for minor/second major)

SADM(BS) – SPORT ADMINISTRATION (CHOICE FOR MINOR/SECOND MAJOR)

SADM(BS) – SPORT ADMINISTRATION MANAGEMENT MINOR – DISCONTINUED

SADM(BS) – SPORT ADMINISTRATION MARKETING MINOR – DISCONTINUED

SADM(BS) – SPORT ADMINISTRATION OPTION IN SPORT BUSINESS

This choice of “options” allows you to use the credits in the minor or second major as your option in the Sport Administration major

- 2) If you do not wish to add a minor or second major, you should select SADM (BS) Sport Administration option in Sport Business

SADM(BS) – SPORT ADMINISTRATION (CHOICE FOR MINOR/SECOND MAJOR)

SADM(BS) – SPORT ADMINISTRATION MANAGEMENT MINOR – DISCONTINUED

SADM(BS) – SPORT ADMINISTRATION MARKETING MINOR – DISCONTINUED

SADM(BS) – SPORT ADMINISTRATION OPTION IN SPORT BUSINESS

This choice requires that you take 18 credits beyond the required courses in the Sport Administration major from WSSD and the Business departments.

Choosing a minor in addition to the Option in Sport Business requires that you take 36 credits beyond those required courses in the Sport Administration major from WSSD and the Business departments (18 credits for the Option and 18 credits for the minor).
