STUDENT PARTICIPATION IN UNIVERSITY GOVERNANCE

Approved: Reviewed 6/30/05, Student Affairs

Student Senate

The primary responsibility of the Student Senate is to deal with matters of concern to students.

Additional responsibilities of the Student Senate

Student Senate may assume additional responsibilities not covered in its constitution. Such areas of responsibility are determined by the executive committee of the Student Senate in consultation with the University President or his/her designee.

Areas of disagreement between the Faculty Senate and the Student Senate shall be referred to the Joint Senate Conference Committee.

Student Consultants to Faculty Senate

The three student members of the Joint Senate Conference Committee, who serve for terms of one year, and two student members-at-large appointed by the Student Senate President for overlapping terms of two years shall serve as consultants to the Faculty Senate with full privileges of discussion and debate.
